For the show(regular dance attire for all rehearsals):

All Tiny Tots, Kindertots, and Pre Primary 1 Students should have hair in ½ pony curled.

All other students please have hair in mid to low bun(due to hats) with it slicked cleanly off of the face.

I will be sure we get a stage make-up info sheet posted on vandance.ca

As the University Theatre is VERY different from working at the Yates, and not what we are used to, we will need to be diligent in leaving ourselves enough time to get to the rehearsals on time and be prompt for pick up. As we get closer to showtime, I will post more info on parking, drop off, pick up etc.
