

2018 Hair/Shoe/Costume Information/Make-Up

Group Costume Rehearsal will take place Wed March 28 and Thursday March 29. These are very important attendance days. Please plan to be there with all proper tights, shoes and costumes. Hair up in a bun (no hairstyle changes this day) and no make-up. I will ask one of the senior students to come with hair and make-up done as an example so that new parents can see what is expected. Schedule TBA. No regular classes these days.

We will continue to add to this list as we get the info. I will resend in a few weeks again.

- Slowly costumes will be ready to go home. Hair pieces and accessories will be handed out at rehearsal on costume day. Remember that these are rented costumes and you are responsible for all of the costume pieces and headpieces and will need to replace if lost or damaged.
- All hats/wigs need beige or clear elastics sewn on them. (Hats are expensive...look after them!)
- Some costumes may need a bit of your attention...ironing, pinning elastic straps once child gets into the costume, pinning skirts to outfits etc.
- Tutus should be steamed not ironed as most melt. Hang in bathroom while someone has a hot shower!
- Tutus need to be packed separate as they do tear. Look after them. **HANDLE WITH CARE!**
- Remember proper undergarments...bras etc that straps don't show...at all! Clear straps aren't the best. We prefer beige straps pinned under costumes.

Shoes

- All Patten Tap shoes must have elastics not ribbons and tuck in all shoe laces into your shoes.
- Tuck All Laces on all shoes.
- Polish and clean all shoes (especially ballet shoes...No holes!)
- No jewels on beige foot undies!
- Tap shoes for Tap 2 and up should be lace up preferably. They just sound better. If you have open paten shoe please bring black golf socks to wear so that your shoes look closed (Tap 2 and up)
- Do not go and buy new shoes. Please post of the face book page any used shoes you wish to sell so we can swap. Also look in the shoe boxes at the studio.

Hair and Headpieces

Be sure to take time and care for neat hairstyles!

- The set studio hairstyle is medium-high straightened ponytail with left part(over mid eye) which easily transforms to a medium-high bun left part. (Explanation: Part hair over left eye about 2 inches back and pull down behind ears, the rest of the hair goes straight back.)
- A few exceptions, only if time...we will post before festival time.
- All headpieces should be worn on the right side
- All hairpieces should be pinned securely.
- Bobby pins should match the hair...light bobby pins on light color headpieces, dark on dark. This goes for elastics as well! No wild colors.
- Clip pony's should be worn if you can not get a nicely straightened pony
- Grade 5-8 students there are Rhinestone clips for the left side of your overswept parted bun available in the office for \$3.00. This will be a standard headpiece for many of your dances.

Tights

- **No** panties or thongs under tights they show!!
- All black fishnets should be worn with beige matte tights underneath for shine and for comfort.
- You **MUST** have proper **dance** tights: Pink Microfiber, beige matte, black matte etc. Absolutely **NO** NYLONS or Wal-Mart thin tights

Make-Up:

Cidnee Lorenz (available to message through facebook or at 403-308-3873 has make-up colors available through sassy girl lips)

- **Dark Stage Make Up for everyone. Please follow these steps.**
- Start with foundation 1-2 shades darker than skin tone
- deep plum blush, brown shades of eye shadow using lots of white highlighter both above and below the eye to open the eyes and highlight them
- mascara and false eyelashes... False Eyelashes for Everyone Please unless your eyelashes are extremely long and thick already...lashes do make a difference.
- eyeliner (wings) which makes 2 parallel lines one from below the eye, one from corner of the eye and out about 1/4 of an inch(no rhinestones needed)
- lip liner and a bright/deep red (Sassy girl color is BLUE RED) Matching lipstick is a **MUST!!** (Miss Pavlova has approved the color Roseberry for ballet)
- Make up should enhance your child's already beautiful face. It should be done with care.
- Anyone with specialty make up bring makeup remover and a wash cloth!
- Large Rhinestone Ear rings for everyone Stick on's from the dollar store do work.
- No jewellery or nail polishes (unless called for as accessories). No colored long false nails. We all should look the same!!

No Glitter spray please. Some festivals disqualify for its use!

- Hair style across the board will be a mid-high **straight** left parted pony-**P**/or mid-high left parted ballet bun -**B**. For our younger age group...pigtail buns(like exam) 2 P/B

A Yellow highlight means they are ready and waiting to go home. I will continue to highlight as info comes into me.
