

2018 Hair/Shoe/Costume Information/Make-Up

Here are updates from Costume rehearsal...

A few general notes then see specifics below:

- **Hairstyle:** Due to all the negativity surrounding the studio hairstyle change this season, we have decided to do a **NO PART** bun slicked back at mid height on head so that the top of the bun is just “slightly” visible from the front...cinnamon bun shape...not a dinner roll! This will convert nicely to a mid, slicked, straightened pony!!!
- **Littles who do 2 piggie buns** must remember that style should be parted right down the centre of the head and continue to nape of neck. Buns should be even!
- **Tuck ALL** tap and ballet shoe laces into shoes
- **Those students still using patten tap shoes** should wear a pair of black golf socks in their shoes, over the tights. This will give the look of a full fitting lace up tap shoe.
- **All black lycra pants** worn for many of the dances should tuck into shoes when long enough
- **Polish all shoes...**toothpaste works great!
- **Proper under garments under costumes** is **VERY IMPORTANT!** We do not want to see all of the extra straps. Also use full coverage bras under costumes...especially under white!
- **Some hats and head pieces** may require elastic sewn on to fit your child.

From before...

- All hats/wigs need beige or clear elastics sewn on them. (Hats are expensive...look after them!)
- Some costumes may need a bit of your attention...ironing, pinning elastic straps once child gets into the costume, pinning skirts to outfits etc.
- TuTus should be steamed not ironed as most melt. Hang in bathroom while someone has a hot shower!
- Tutus need to be packed separate as they do tear. Look after them. **HANDLE WITH CARE!**
- Remember proper undergarments...bras etc that straps don't show...at all! Clear straps aren't the best. We prefer beige straps pinned under costumes.

Shoes

- All Patten Tap shoes must have elastics not ribbons and tuck in all shoe laces into your shoes.
- Tuck All Laces on all shoes.
- Polish and clean all shoes (especially ballet shoes...No holes!)
- No jewels on beige foot undies!
- Tap shoes for Tap 2 and up should be lace up preferably. They just sound better. If you have open patten shoe please bring black golf socks to wear so that your shoes look closed (Tap 2 and up)
- Do not go and buy new shoes. Please post of the face book page any used shoes you wish to sell so we can swap. Also look in the shoe boxes at the studio.

Hair and Headpieces

Be sure to take time and care for neat hairstyles!

- A few exceptions, only if time...we will post before festival time.
- **All headpieces should be worn on the right side**
- All hairpieces should be pinned securely.
- Bobby pins should match the hair...light bobby pins on light color headpieces, dark on dark. This goes for elastics as well! No wild colors.
- Clip pony's should be worn if you can not get a nicely straightened pony

Tights

- **No** panties or thongs under tights they show!!
- All black fishnets should be worn with beige matte tights underneath for shine and for comfort.
- You **MUST** have proper **dance** tights: **Pink Microfiber**, beige matte, black matte etc. Absolutely NO NYLONS or Wal-Mart thin tights

Make-Up:

Cidnee Lorenz (available to message through facebook or at 403-308-3873 has make-up colors available through sassy girl lips)

- **Dark Stage Make Up for everyone. Please follow these steps.**
- Start with foundation 1-2 shades darker than skin tone
- deep plum blush, brown shades of eye shadow using lots of white highlighter both above and below the eye to open the eyes and highlight them
- mascara and false eyelashes... False Eyelashes for Everyone Please unless your eyelashes are extremely long and thick already...lashes do make a difference.
- eyeliner (wings) which makes 2 parallel lines one from below the eye, one from corner of the eye and out about 1/4 of an inch(no rhinestones needed)
- lip liner and a bright/deep red (Sassy girl color is BLUE RED) Matching lipstick is a **MUST!!** (Miss Pavlova has approved the color Roseberry for ballet)
- Make up should enhance your child's already beautiful face. It should be done with care.
- Anyone with specialty make up bring makeup remover and a wash cloth!
- Large Rhinestone Ear rings for everyone Stick on's from the dollar store do work.
- No jewellery or nail polishes (unless called for as accessories). No colored long false nails. We all should look the same!!

No Glitter spray please. Some festivals disqualify for its use!
