

2018 Hair/Shoe/Costume Information/Make-Up for Year End Show

- Remember proper undergarments...bras etc that straps don't show...at all! Clear straps aren't the best. We prefer beige straps pinned under costumes.
- No panties under tights

Shoes

- All Patten Tap shoes must have elastics not ribbons and tuck in all shoe laces into your shoes.
- Tuck All Laces on all shoes.
- Polish and clean all shoes (especially ballet shoes...No holes!)
- No jewels on beige foot undies!
- Tap shoes for Tap 2 and up should be lace up preferably. They just sound better. If you have open paten shoe please bring black golf socks to wear so that your shoes look closed (Tap 2 and up)
- Do not go and buy new shoes. Please post of the face book page any used shoes you wish to sell so we can swap. Also look in the shoe boxes at the studio.

Hair and Headpieces

Be sure to take time and care for neat hairstyles!

- Hair is to be in a mid bun, no part for ALL dances (excluding Tiny Tots and Kindertots and Rec Hip Hop and our **PP2/Prim level may stay in 2 Piggie Buns**)
- You must wear a hairnet and bun should look like a firm cinnamon bun, not a knob.
- Tiny Tot and Kindertot Hair is in a ½ Pony pulled back off the face and Very Curly!!
- Pictures are posted on vandance.ca of hair and make-up.
- All headpieces should be worn on the right side and the helpers will assist the younger students.
- All hairpieces should be pinned securely.
- Bobby pins should match the hair...light bobby pins on light color headpieces, dark on dark. This goes for elastics as well! No wild colors. Bring your own matching bobby pins for headpieces

Tights

- **No** panties or thongs under tights they show!!
- All black fishnets should be worn with beige matte tights underneath for shine and for comfort.
- You **MUST** have proper **dance** tights: Pink Microfiber, beige matte, black matte etc. Absolutely **NO** NYLONS or Wal-Mart thin tights

Make-Up:

Cidnee Lorenz (available to message through facebook or at 403-308-3873 has make-up colors available through sassy girl lips)

- **Dark Stage Make Up for everyone. Please follow these steps.** SEE WEBSITE FOR PICTURES!
- Start with foundation 1-2 shades darker than skin tone
- deep plum blush, brown shades of eye shadow using lots of white highlighter both above and below the eye to open the eyes and highlight them
- mascara and false eyelashes... False Eyelashes for Everyone Please unless your eyelashes are extremely long and thick already...lashes do make a difference.
- eyeliner (wings) which makes 2 parallel lines one from below the eye, one from corner of the eye and out about 1/4 of an inch(no rhinestones needed)
- Eyebrows should be filled in dark.
- lip liner and a bright/deep red (Sassy girl color is BLUE RED) Matching lipstick is a MUST!! (Miss Pavlova has approved the color Roseberry for ballet)
- Make up should enhance your child's already beautiful face. It should be done with care.
- Anyone with specialty make up bring makeup remover and a wash cloth!
- Large Rhinestone Ear rings for everyone Stick on's from the dollar store do work.
- No jewellery or nail polishes (unless called for as accessories). No colored long false nails. We all should look the same!!
