

## January Exam Update Information

### TAP

- All tap exam students should have 2 cd. A practice cd and an exam cd which they are practicing with. The students should also have an exam notes sheet and should already be studying the notes and questions.
- Tap Practice DVD's are available for grade 1, 2, 3 in the office \$25
- Students taking part in exam classes, but not doing the exams should be practicing the exercises as well.
- Tap Exam Extra Rehearsals to take place on Tuesday Feb. 21 during the day:

Tuesday February 21

**10:00-Tap 2** Exam Students from Taber and Lethbridge

**11:00-Tap 3** Anyone wishing to work toward the grade 3 exam come to learn the exam dance.

**12:00- Tap 5 This** is a long, difficult exam and we never seem to have enough time to get through all of the work, the exam dance and the festival dance. We will focus on the exam dance first this day (1 ½ hours)

**1:30-Tap 6** We need this full hour for exam work and dance...to get through it all.

**2:30-Tap 9** I would be happy to work for 2 hours with the girls this day. Tap 9 is an extremely long exam and we need a day that we can take the time to do everything, including the exam dance. (I could do this class on Sat 18<sup>th</sup> if you could all attend??)
