Day 11, 12, 13, 14 (Tues Nov 27, Dec 4, 11, 18): Choreography with Vanessa

Cleaning and Technique work will continue throughout the year. Our goal is to focus on core jazz technique.

We are hoping that more specific goals with the teachers will help the students improve their skills.

Stretch class for jazz is a must! Acro is an asset!

ADAPT Jazz Exam Classes are scheduled for Friday afternoons starting Friday Sept 14

Classes will be divided into Junior 1(Fri @1:00), Junior 3(Fri @ 3:00), Intermediate (Fri @2:00)

You must complete the final level(3) of Junior, Intermediate before moving to Advanced. Our older students would have no trouble completing these levels, even perhaps this fall! You will also be covering some of the ADAPT work in regular jazz classes in Sept.

All students who are interested in jazz exams but are uncertain if they can catch up, this would be the year to do it! Classes will be catered to you so that you can get what you need to succeed. If you are unsure of what level of ADAPT you have already taken, please check in the office.

Jazz Funk is offered to our Level 5 and Up students. Miss Haley will be concentrating on stylized jazz in many different genres. This class will participate in festival but we will leave it up to Miss Haley as to what genre she chooses but not necessarily heels.
